SAFETY SERVICES

ELSEWHERE FIRE DEPARTMENT

The Elsewhere Fire Department is made up of trained firefighters. In an emergency, the fire team can be reached at Safety HQ or via radio by any radio-wielding volunteer, including any Ranger.

ELSEWHERE EMERGENCY TEAM (EETS) and SANCTUARY

Safety HQ is located near the main field

*The Elsewhere Emergency Team provides **24-HOUR FIRST AID AND EMERGENCY RESPONSE** for Burnt Soup TX. Our 'EETs' are certified or licensed medical professionals who are trained to treat injuries and, if necessary, work with the Rangers to evacuate patients with serious injuries or potentially life-threatening medical conditions.
2018 - No Volunteer EET's Lead - See Sanctuary

*Burnt Soup TX can be a challenging environment, not just physically but emotionally, and sometimes people get overwhelmed. **Sanctuary** is there to help get you centered and get back into the soup*

RANGERS

*Radical self-reliance and respect means you are responsible for your own actions. Make sure your actions don't interfere with the enjoyment of the event for others. This following basic courtesy, not letting your camp in any manner flow into another's camp by volume (unless welcomed), pass through peeps, or hogging precious land if not needed, and working out disagreements respectfully. Rangers will be wondering around the event. You can reach out to them if you need urgent help, or assistance in resolving a conflict or have an **EMERGENCY SITUATION**. They are not police, **THEY ARE NOT THE MAN. RANGERS ARE PARTICIPANTS WHO VOLUNTEER** to help make our event safe from outside interference (self-policing), so that we can celebrate 24/7 during the Burn. There will always be a ranger at Safety HQ. **LOOK FOR TAN SHIRTS!***

1 PRINCIPLE.

DON'T BE A DICK!

But there are others ideas that Burnt Soup embraces.

Burnt Soup encourages the individual to discover, exercise and rely on his or her inner resources.

Anyone may be a part of Burnt Soup. We welcome and respect the stranger. No prerequisites exist for participation in our community.

Burnt Soup is devoted to acts of gift giving. The value of a gift is unconditional. Gifting does not contemplate a return or an exchange for something of equal value. We resist the substitution of consumption for participatory experience.

Our community is committed to a radically participatory ethic. We believe that transformative change, whether in the individual or in society, can occur only through the medium of deeply personal participation. We achieve being through doing. Everyone is invited to work. Everyone is invited to play. We make the world real through actions that open the heart.

Our community values creative cooperation and collaboration. We strive to produce, promote and protect social networks, public spaces, works of art, and methods of communication that support such interaction.

Our community respects the environment. We are committed to leaving no physical trace of our activities wherever we gather. We clean up after ourselves and endeavor, whenever possible, to leave such places in a better state than when we found them.

We value civil society. Community members who organize events should assume responsibility for public welfare and endeavor to communicate civic responsibilities to participants. They must also assume responsibility for conducting events in accordance with local, state and federal laws.

****CONSENT (Part of Civic Responsibility and needs to be Pointed out)**

PERSONAL BOUNDARIES

Self-expression and cooperation require a social contract to make our event a place for everyone to play.

Respect the personal boundaries of others.

- *Before Contact, ASK. Do not assume someone wants your physical contact. **NO MEANS NO. ONLY YES MEANS YES***

- *After someone has said **no**: cajoling, pleading, or any form of*

EMOTIONAL BLACKMAIL IS UNACCEPTABLE.

- *Respecting personal boundaries includes taking pictures or video, as well as physical and verbal interaction.*

Take responsibility for your own boundaries.

- **YOU MUST BE ABLE TO SAY NO.**

- *Be sober enough to be in control, or make arrangements with a friend to have a "designated playa escort." **YOU ARE RESPONSIBLE FOR YOUR EXPERIENCE!***

- ***IF YOU NEED HELP CONTACT A RANGER OR ANYONE...I MEAN ANYONE IN SAFETY!***

NOTE: PHOTOS/VIDEO/SOCIAL MEDIA

*The right **not** to be photographed (or recorded in other ways) always trumps the right to take a photograph in court, as does it here. So does posting on Social Media! **Ask permission.** Taking*

*Photos even if they don't know is an Escort out of the **EVENT!** Take photos away from people that did not give consent!*

EFFIGY: Welcome to the first ever that we know of WATER EFFIGY!

SATURDAY NIGHT AT 9:00 PM

RIVER and POOL

River runs around the land and Pool is on the bottom field near the Effigy. This a great place to cool off. Be aware that the River is considered public and is **NOT A PRIVATE**

- Swim at your own risk. There are **NO LIFEGUARDS ON DUTY**.

DO NOT SWIM ALONE.

- Be alert to obstacles under the River (tree limbs! rocks!). Check first for signage before entering the water.
- Be alert to weather conditions. If there is rain in the area, water can rise rapidly. In case of storms, get out of the water.

YES! THERE ARE HOT INSIDE AND OUTSIDE SHOWERS!

- Toiletries, Glasses...etc...
- Single-ply toilet paper—the Port-a-Potties can run out.
- Enough food and beverages for you. Bedding and shelter of some type (a good camp tent is recommended w/sleeping bags).
- Garbage bags (more than enough for all of your

garbage—it's good to bring extra for MOOP that accumulates during the event).

- Flashlights—**HEADLAMPS ARE VERY USEFUL**.
- Extra batteries for everything.
- Sunscreen and sunglasses.

SAFETY!

There are plenty of nasty critters all over Texas. This is not a definitive guide.  Keep an eye out and try to avoid these creatures.

FIRE ANTS

Ants don't like cinnamon; put around your tent and any hills you see near your area.

Make sure you put food in closed tight containers...IE - NOT ZIPLOCKS only!

MOSQUITOES - there are several Electronic and Propane ran Mosquitoes devices to wear as well to set near you camp for larger areas. There are Sprays with no DEET as well no smell. There is Bullfrog which combines with Sunscreen. Invest in some...or get Bit! Remember sweat and getting wet can deactivate any sprays or lotion, remember to carry it with you to re-apply when needed.

SCORPION stings can be painful, but they can be avoided. Scorpions like to hide under things (like tents) and in things (like shoes). If you are stung by a scorpion, wash the area with soap and water. Use ice to dull the pain. If you experience unusual symptoms (shortness of breath, dizziness, vomiting), contact the Elsewhere Emergency Team ('EET's) immediately.

SNAKES are not harmful, go with the plan of mutual avoidance for safety. If you hear a rattle, stop and move slowly away from the sound. The

RIVER MAY CONTAIN WATER MOCCASINS.

TICKS can carry diseases you do not want. Avoid them by using insect repellent, and wear long pants and a long-sleeved shirt while in Tall Grass. If you don't know how to remove a tick, ask the 'EET's for assistance.

Poison Ivy Look for asymmetric lush green leaves of 3, 5 or 7, red stems. If you think you have been exposed:

- Cleanse exposed areas with rubbing alcohol.
- Rinse with water first—no soap yet! I will only make the reaction worse. Now wash with soap and warm water.
- Put gloves on and wipe everything you had with you, including shoes, tools, and your clothes, with rubbing alcohol and water.
- Pack Ivy-block, Zanfel, Ivy Cleanse Towelettes and/or Tecnu Extreme Poison Ivy Scrub just in case.
- Having Problems still please contact Elsewhere Emergency Medical 'EET'
- For more information visit poisonivy.us

HYDRATION

Dehydration is a very serious risk due to Texas summer heat. **DRINK WATER**, lots of it. Alcohol dehydrates you; it is not water. Water is not sold at the event (except in the form of ice), so bring all the water you will need.

We strongly recommend a **MINIMUM OF 2 GALLONS PER DAY.**

Signs of dehydration:

- Feeling uncharacteristically cranky.
- Rapid or sudden weight loss.
- Increasing thirst.
- Dry mouth.
- Weakness or lightheadedness (particularly if worsening on standing).
- Darkening of the urine or a decrease
- Nauseousness

CONSENT IS SEXY

I am having a great time hanging out and talking with people. I might be snuggling or touching them but that does not mean I also want to be that close to you.

Please respect my personal space.

- **Consent is never coerced or forced.**
 - **Consent is negotiated through each interaction.**
 - **Incoherent people can not give consent.**
 - **Anything other than YES means NO.**
